Re: Amendment to Noncompliance Information Report;
Anzo USA, Inc.; Recall No. 06E-023

Dear Mr. Smith:

As discussed with Ms. Kelly Schuler of your staff, Anzo USA, Inc. (Anzo), is hereby amending the Part 573 Noncompliance Information Report that it originally sent to you on March 13, 2006 to add additional items of motor vehicle equipment. We understand that the original identification number for this recall, 06E-023, will be retained.

In its original Part 573 Report, Anzo advised NHTSA that it had decided that certain replacement combination headlamp assemblies that it imported from Taiwan and sold at wholesale in the United States do not comply with paragraph S5.8.1 of Federal Motor Vehicle Safety Standard No. 108, "Lamps, reflective devices, and associated equipment," because they do not contain amber side reflex reflectors. After a subsequent conversation with representatives of NHTSA's Office of Vehicle Safety Compliance, Anzo has now decided that some of the replacement combination cornering lamps and bumper lamps that it imported and sold also do not comply with that paragraph of the standard. All of the lamps comply with all other NHTSA requirements.

The part numbers and the descriptions of the additional combination lamps covered by this revised decision are set forth on the attached Excel spreadsheet. The total number of additional lamps covered by the determination is approximately 205,000, of which approximately 10,000 remain in Anzo's inventory, where they have been quarantined. Those quarantined lamps will either be destroyed or exported.

Pursuant to 49 CFR Part 512, Anzo is asking the Office of Chief Counsel to keep the specific purchase and sales numbers for each of the individual parts confidential on the basis that their release could cause competitive harm to the company. Therefore, we ask that you keep the information confidential pending the decision by that Office on Anzo's request.

If you have any questions regarding this amendment, please do not hesitate to contact Mr. Kenneth N. Weinstein, Anzo's regulatory counsel in Washington, DC, who may be reached at (202) 263-3259.

Sincerely,

A handwritten signature in black ink, appearing to read 'C. Law', with a large, sweeping flourish at the end.
