Signed:  

<sup>1</sup> Each manufacturer must furnish a report, to the Associate Administrator for Enforcement, for each noncompliance condition.

This guide was developed from 49 CFR Part 573, "Defect and Noncompliance Responsibility and Reports" and also outlines information currently requested. Any questions, please consult the complete Part 573 or contact Mr. George Person at (202) 366-5210 or by FAX at (202) 366-7882.

Identify the approximate percentage of the production of all the recalled models manufactured by your company between the inclusive dates of manufacture provided above, that the recalled model population represents. For example, if the recall involved Widgets equipped with certain items of equipment from January 1, 1996, through April 1, 1997, then what was the percentage of the recalled Widgets of all Widgets manufactured during that time period.

*There are 6-8 main manufacturers of these lights in China & Taiwan, + over 30-40 Importers. So*

II. Identifying the Recall Population

*We don't know the total production of these lights*

3. Furnish the total number of items of equipment recalled potentially containing the noncompliance.

Items Model	Year	Number of Potentially Involved

Total Number Potentially Affected by the Recall: \_\_\_\_\_

4. Furnish the approximate percentage of the total number of items of equipment estimated to actually contain the noncompliance:

Identify and describe how the recall population was determined--in particular how the recalled models were selected and the basis for the beginning and final dates of manufacture of the recalled items of equipment:

*We will recall all combination Headlight /  
Clear corner / Bumper lights / side markers  
which imported by ck motorports, but we  
don't serve as a clearance house for  
other Importers -*

### III. Describe the Noncompliance

5. Describe the noncompliance. The description should address the nature and physical location of the noncompliance. Illustrations should be provided as appropriate.

The combination H/L / clear corner / clear Bumper / side markers, should be use for off road & show only but some customer are using them for regular driving condition.

Describe the cause(s) of the noncompliance condition.

The items mention above has no amber reflectors.

Describe the consequence(s) of the noncompliance condition.

Identify any warning which can (a) precede or (b) occur.

The lights won't damage the car, it just using color,

If the noncompliance is in a component or assembly purchased from a supplier, identify the supplier by corporate name and address.

Identify the name and title of the chief executive officer or knowledgeable representative of the supplier:

**IV. Provide the Chronology in Determining the Noncompliance**

6. With respect to a noncompliance, identify and provide the test results or other data (in chronological order and including dates) on which the noncompliance was determined.

N/A

**V. Identify the Remedy**

7. A description of the manufacturer's program for remedying the noncompliance. This program shall include a plan for reimbursing an owner or purchaser who incurred costs to obtain a remedy for the problem addressed by the recall within a reasonable time in advance of the manufacturer's notification of owners, purchasers and dealers, in accordance with §573.13 of this part. A manufacturer's plan may incorporate by reference a general reimbursement plan it previously submitted to NHTSA, together with information specific to the individual recall. Information required by §573.13 that is not in a general reimbursement plan shall be submitted in the manufacturer's report to NHTSA under this section. If a manufacturer submits one or more general reimbursement plans, the manufacturer shall update each plan every two years, in accordance with §573.13. The manufacturer's remedy program and reimbursement plans will be available for inspection by the public at NHTSA headquarters.

we stop Import this lights already, and will be discontinue from our list so, we don't know manufacturer's plan of remedy.

8. Furnish a description of the manufacturer's remedy for the noncompliance. Clearly describe the differences between the recall condition and the remedy.

**V. I. Furnish Recall Communications**

10. Furnish a final copy of all notices, bulletins, and other communications that relate directly to the noncompliance and which are sent to more than one manufacturer, distributor, or purchaser. This includes all communications (including both original and follow-up) concerning this recall from the time your company determines the noncompliance condition on, not just the initial notification. *A DRAFT copy of the notification documents should be submitted to the Office of Defects Investigation by Fax (202-366-7882) for review prior to mailing.*

Note: These documents are to be submitted separately from those provided in accordance with Part 579.5 requirements.
