Dear Sir or Madam:

Pursuant to 49 CFR Part 573, Jayco, Inc. ("Jayco" or the "Company") is submitting this report to NHTSA concerning a recall campaign, which is being voluntarily initiated. Specific information is as follows:

573.5(c)(2)

Affected vehicles are Model Year 2006 Talon travel trailers and fifth wheels manufactured with the optional fuel station between August 1, 2005 and February 7, 2006.

The recall population was determined from the manufacturing records for the Company's manufacturing plant in Middlebury, Indiana, which produced the affected travel trailer and fifth wheel.

573.5(c)(3)

A total of **two-hundred seventy eight (278)** travel trailers and fifth wheels are subject to this recall. Specific Vehicle Identification Numbers (VIN) are as follows: **1UJBJ02N461AA0079** through **1UJJCJ03R861AV0185**

573.5(c)(4)

Jayco has no estimate regarding the number of trailers affected by this condition. It is, however, recalling 100 percent of the travel and fifth wheel trailers equipped with the vendor supplied fuel pump.

573.5(c)(5)

Jayco was notified by Great Plains Industries, Inc. that certain 2006 Talon travel trailers and fifth wheels with the optional fuel station with the vendor supplied fuel pump can leak fuel, which may result in fire, injury or death.

573.5(c)(6)

Jayco decided to conduct this recall following the notification from Great Plains Industries and an internal investigation and an evaluation of information gathered during recent field investigations. Jayco is not aware of any injuries or accidents related to this issue.

573.5(c)(8)

The remedy for affected travel trailers and fifth wheels will involve replacement of all fuel pumps.

Copies of the repair instructions, dealer notification letters, and owner letters will be provided to the agency within 10 business days. Jayco is prepared to begin dealer notification within [five] business days thereafter, and to owner's ten business days subsequent to dealer notification.

Thank you for your assistance,

A handwritten signature in black ink that reads "David C. VanderMolen". The signature is written in a cursive style with a large, prominent 'D' and 'M'.

Sincerely
