Mr. Daniel Smith  
Associate Administrator for Enforcement  
National Highway Traffic Safety Administration  
U.S. Department of Transportation  
400 Seventh Street, S.W.  
Washington, DC 20590

Subject: **Notification of Recall Pursuant to 49 CFR Part 573 (2006)  
Model Years 1998 - 2004 Audi A6, Audi A6 Avant, and Model Year 2001 -  
2005 Audi allroad quattro Vehicles equipped with Halogen Low Beam  
Rerouting of the Wiring Harness with Installation of a Jumper Wiring Harness  
NHTSA no. 06V-198**

Dear Mr. Smith,

This letter shall serve to amend our Notifications of Recall dated June 2, 2006; June 30, 2006; July 20, 2006; October 13, 2006; November 15, 2006; December 1, 2006; and December 14, 2006.

573.6 (c) (10) **Submission of Communications**

VWoA notified all Dealers on December 11<sup>th</sup>, and began customer notification on December 16<sup>th</sup>, 2006 concluding on January 5<sup>th</sup>, 2007 with the exception of 1,330 allroad quattro customers. Audi has recently learned that the prescribed repair procedure may cause an unwanted fault code to be set in the affected allroad quattro vehicles. Audi will revise the repair procedure for these remaining vehicles and VWoA will notify NHTSA by January 19, 2007 of the revised mailing date for these remaining customers.

Sincerely,

John Maddox  
Product Compliance Officer  
Volkswagen of America
