49 CFR Part 573 – DEFECT INFORMATION REPORT
R176 – CERTAIN 2005 MODEL YEAR JAGUAR S-TYPE VEHICLES

Pursuant to Part 573 of Title 49 of the Code of Federal Regulations, Defect and Noncompliance Reports, Ford submits the following information amending that previously provided concerning a safety recall action that its wholly owned subsidiary, Jaguar, is voluntarily initiating.

573.6 (c) (2) Potentially Affected Vehicles

The October 23, 2006, notification letter identified the vehicles potentially affected by this recall as certain 2005 model year Jaguar S-TYPE vehicles built at the Castle Bromwich (UK) Assembly Plant from January 1, 2004, through June 30, 2005. Although this build date information is correct, the VIN range was stated incorrectly. The correct VIN range is SAJWA03V951N05049 to SAJWA01T35FN52047.
