Re: Kenworth Cruise Control/Honeywell Pressure Sensing Switch
Recall No. 06V-446

Dear Mr. Person:

Kenworth Truck Company has identified an additional 84 trucks (78 U.S., 6 Canadian) affected by the above referenced recall. Two models not originally reported should now be included; Kenworth models T2000 and T800. Model years affected are 2007 and 2008. There is no change to the manufacture dates.

If you need any further information, please do not hesitate contacting me.

Very truly yours,

cc: Patricia Wallace, NHTSA
Delia Lopez, NHTSA
