Parts Required:	1 – Breakaway Switch KRV # 181655
Tools Required:	Phillips Screwdriver

Keystone RV Company is conducting a voluntary **RECALL** notification campaign in accordance with the National Traffic and Motor Vehicle Safety Act. Some of the trailers listed were manufactured with a Tekonsha breakaway switch. The Tekonsha breakaway switch may not activate the trailer brakes in the event of the trailer separating from the tow vehicle. The following instructions correct the problem.

General Information

- Stock Units must be remedied before selling.

Inspection

Step 1: Verify the breakaway switch is a Tekonsha brand switch. See figure 1.

Step 2: If the breakaway switch is a Tekonsha, proceed to Corrective Action. If the breakaway switch is not a Tekonsha switch, no further action is necessary.

Corrective action

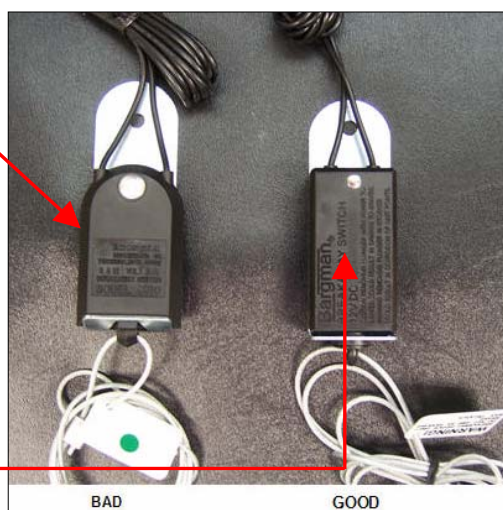

Step 1: Replace the Tekonsha breakaway switch with a Bargman breakaway switch.

BAD (Recall) ITEM:

- Curved (rounded) at one end.
- One screw placement.
- Tekonsha brand.

GOOD (Replacement) ITEM:

- Square at both ends.
- One screw placement.
- Bargman brand.

Submit labor expense on a Keystone Warranty Claim Form with the **Service Advisory 06 - 070** and **Flat Rate Code # 7107042B** noted in the customer complaint section. The amount of time authorized for this repair is .5 hours per vehicle.

If you have any questions please call Keystone RV Customer Service at **(866) 273-1456**.
