2006-2007 Trail-Aire Motorhomes

Date: October 27, 2006

Dear R-Vision Dealer:

R-Vision has been advised that Workhorse has initiated a recall pertaining to the incorrect steering intermediate shaft. These shafts were installed in R-Vision 2006 Trail-Aire and 2007 Trail-Aire motorhomes.

Should a customer have a complaint or concern, please refer them to Workhorse.

R-Vision, Inc. recommends that you identify any units at your dealership and contact a local Workhorse service facility for an inspection. This service will be performed by Workhorse at no cost to the dealer and/or retail customer.

Please reference Workhorse campaign number 20601-C, or the U.S. product recall number 06V148000, and the VIN (vehicle identification number) when scheduling an appointment to have this service performed. R-Vision, Inc. requests that you contact Workhorse at 1-877-946-7731 for help in locating a distributor, for claim processing or other questions regarding this issue.

Thank you,

Angela Stine
