SERVICE

ADMINISTRATION BULLETIN

Subject: **Campaign X726Jaguar Model XJ Customer Care Initiative**

Jaguar will allocate funds to all dealers to provide customer care services to every owner whose vehicle is included in the XJ Fuel Tank Recall (See "Vehicle Eligibility" below). These actions are intended to demonstrate Jaguar and Jaguar dealers' ongoing commitment to customer satisfaction.

Customer Care Initiative:

Dealers will be reimbursed up to US\$100.00 for "surprise and delight" gifts or services to be delivered to the owner of a vehicle affected by this Recall. It is the dealer's prerogative to decide what gift or service is appropriate for each customer. The following suggestions are provided as a guide of possible gifts and services that can be offered:

- Full tank of gas
- Local restaurant certificate
- Local boutique certificate (gift shop, spa, etc.)
- Upscale mail order/internet catalog certificates
- Jaguar Collection boutique items or gift certificate
- Vehicle detailing

NOTE: You may find that many local restaurants and shops will offer matching funds to increase the financial value of the certificate.

The gift or service you provide should be presented to the customer when they bring the vehicle to the dealership for service or take delivery upon completion of the Recall work. This is your opportunity to "surprise and delight" the owner with a sincere gesture of goodwill to demonstrate that you value their business. The gift should be presented as an appreciation of the customer's business and enthusiasm for the Jaguar product. It should not be presented as an entitlement.

Record Keeping:

To qualify for reimbursement under this program, dealers must establish a written plan outlining the gift/service or combination of gifts and services they will provide to owners. Receipts for all gifts and services must be retained for a period of 2 years and are subject to audit. If no gift or service is provided, then no claim should be submitted to Jaguar for reimbursement.

Vehicle Eligibility:

Only retailed customer vehicles sold before the Quarantine Notification 7-33NAS "Quarantine Notification: 2006-2007 Jaguar XJ Vehicles (G49701-H13209)" on 30 August 2006 that are subject to the Recall will qualify for this campaign. Please see the attached list of VIN's for repaired vehicles that will be **INCLUDED** in this customer care campaign because they were customer owned vehicles at the time of quarantine.
