

Subject: 2006 - 2007 G35 Coupe Headlamp Voluntary Recall Campaign

Attention: Dealer Principal, Sales, Service and Parts Managers

***** Campaign Announcement *****

Infiniti is conducting a Voluntary Recall Campaign on approximately 24,000 model year 2006 - 2007 Infiniti G35 Coupe vehicles because of a Federal Motor Vehicle Safety Standard (FMVSS) non-compliance issue. The headlamps do not meet some of the requirements specified in FMVSS 108.

To correct this, Infiniti will replace the headlamps with new compliant ones.

***** Dealer Inventory *****

Federal law requires that new vehicles in dealer inventory which are the subject of a safety recall must be corrected prior to delivery under a sale or lease. Failure to do so can result in civil penalties by the National Highway Traffic Safety Administration (NHTSA).

IMPORTANT

2006 G35 Coupe new vehicles in Dealer Inventory affected by this campaign MUST BE PLACED ON SALES HOLD IMMEDIATELY to await replacement of the headlamps. There are approximately 742 unsold vehicles in dealer inventory affected by this retail sales hold.

Effective immediately, please use Infinitinet (R0612) headlamps to determine which G35 Coupe vehicles, if any in your inventory may require these campaign repairs prior to being retailed. These vehicles must remain on sales hold until the recall is performed.

***** Vehicle Identification *****

There are two methods to identify affected vehicles in your dealer inventory

- **Infinitinet** - Dealership service departments can complete an inquiry on Infinitinet.
- **VIN List** – Contact your Dealer Parts and Service Manager (DPSM) for further direction, as they will be provided with a list of affected VIN's by dealer.

***** Parts Availability–Dealer Inventory *****

To ensure parts availability to all retailers, Infiniti will schedule an automatic shipment of headlamps for all affected dealer inventory vehicles beginning the week of January 22, 2007. The headlamps for this campaign will be on sales restriction during the launch of this campaign. We will notify you of any changes to the parts shipment schedule or should there be any other changes.

***** Owner Notification *****

Infiniti expects to begin notifying owners mid-April 2007.

***** Repair Instructions *****

There is a Dealer Inventory Repair Procedure draft on NNA.net under My Documents in the Parts/Campaign and Service/Campaign categories to be used for repairing dealer inventory vehicles only. Infiniti is developing the Recall Campaign Bulletin containing repair instructions and related parts and claim information. You will be notified when the campaign bulletin becomes available (April).

If you have any additional questions related to this campaign, please contact your Dealer Parts and Service Manager (DPSM).
