Dear Ms. Schuler:

Enclosed please find copies of the amended Recall Envelope for J & A Auto Accessories and the Recall Letter as it appears when the Wordperfect file is printed. I hope this helps us get closer to the time we can send out the recall notifications because, of course progress is better than no progress. If there is still a problem, let me know and I will do what I can to fix everything up. Thank you.

Very truly yours,

Charles R. Sutton

SAFETY RECALL-[HEADLAMP/AMBER SIDE REFLEX REFLECTORS]

Dear J & A Auto Accessories Headlamp owner:

This notice is sent to you in accordance with the requirements of the National Highway Traffic and Motor Vehicle Safety Act.

J & A Auto Accessories has decided that certain J & A Auto Accessories combination headlamp assemblies, p/nos. NTR2014, NTR2014B, NTR2015, NTR2015B, NTR205, NTR205B, NTR2053, NTR2053B, NTR2054, NTR2054B, NTR206, NTR206B, NTR2063, NTR2063B, NTR2064, NTR2064B, NTR2065, NTR2065B, NTR2066, NTR2066B, NTR209, NTR210, NTR211, NTR211B, NTR212, NTR212B, NTR213, NTR214, NTR215, NTR216, NTR237, NTR238, NTR251, NTR252, NTR269, NTR270, NTR297, NTR297B, NTR298, and NTR298B fail to conform to federal motor vehicle safety standard no. 108, 'Lamps, Reflective devices, and Associated Equipment.' These combination headlamp assemblies may not contain required amber side reflex reflectors. Without the amber reflectors, the vehicle will be poorly illuminated, possibly resulting in a vehicle crash without warning. Owners of affected combination headlamp assemblies should drive safely, particularly at night, to reduce the chance that the malfunction will occur before the noncompliance is remedied.

Your item of replacement equipment, identified on the enclosed form, is affected. For this reason we ask that you arrange for J & A Auto Accessories to repurchase the affected part from you to correct the condition without delay.

To correct this condition, your dealer will repurchase the affected headlamps actually purchased from J & A Auto Accessories.

The repurchase program will begin June 30, 2006. To obtain this free service:

Contact your dealer as soon as possible to schedule the repurchase.

Take the enclosed Owner Notification Form with you at the time of your appointment and give it to your dealer. The form identifies the replacement item of equipment that is required.

If you have any problem obtaining the needed repurchase, please contact the J & A Auto Accessories customer service at (888) 327-4981. A J & A Auto Accessories representative will arrange for prompt attention to your item of replacement equipment.

We regret any inconvenience which this action may cause you. However we are concerned about your safety. If your dealer fails or is unable to remedy this defect without charge and within a reasonable time, you may submit a written complaint to the Administrator, National Highway Traffic Safety Administration, 400 Seventh Street, SW, Washington, DC 20590, or call the toll-free Vehicle Safety Hotline at 1-888-327-4326 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

Thank you for attention to this important matter.
