

**SAFETY RECALL-[HEADLAMP/AMBER SIDE REFLEX REFLECTORS]**

Dear AAI Motorsports USA LLC Headlamp owner:

This notice is sent to you in accordance with the requirements of the National Highway Traffic and Motor Vehicle Safety Act.

AAI Motorsports USA LLC has decided that certain AAI Motorsports USA LLC combination headlamp assemblies fail to conform to Federal Motor Vehicle Safety Standard No. 108, "Lamps, Reflective devices, and Associated Equipment." These combination headlamp assemblies may not contain required amber side reflex reflectors. Without the amber reflectors, the vehicle will be poorly illuminated, possibly resulting in a vehicle crash without warning. Owners of affected combination headlamp assemblies should drive safely, particularly at night, to reduce the chance that the malfunction will occur before the noncompliance is remedied.

**Your item of replacement equipment**, identified on the enclosed form, **is affected**. For this reason we ask that you arrange for repurchase to correct the condition without delay. The service and required parts as described in this letter will be provided free of charge.

To correct this condition, your dealer will repurchase the affected headlamps.

AAI Motorsports USA LLC will repurchase the affected headlamps beginning August 1, 2006. To obtain this free service:

Contact your dealer as soon as possible to schedule the repurchase.

Take the enclosed Owner Notification Form with you at the time of your appointment and give it to your dealer. The form identifies the item of equipment that is affected.

If you have any problem obtaining the needed repurchase, please contact the AAI Motorsports USA LLC recall direct line at (909) 635-4648 or email [recall@aaimotorsports.com](mailto:recall@aaimotorsports.com). An AAI Motorsports USA LLC representative will arrange for prompt attention to your item of repurchasable equipment.

We regret any inconvenience which this action may cause you. However we are concerned about your safety. If your dealer fails or is unable to remedy this defect without charge and within a reasonable time, you may submit a written complaint to the Administrator, National Highway Traffic Safety Administration, 400 Seventh Street, SW, Washington, DC 20590, or call the toll-free Vehicle Safety Hotline at 1-888-327-4326 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

Thank you for attention to this important matter.
