SUBJECT: INCORRECT TIRE LOADING INFORMATION ON THE VIN DECAL

2006 Victory Vegas Jackpot & 2006 Ness Signature Series Vegas Jackpot

Safety Recall Notice 06V-xxx

March 1, 2006

Dear Victory Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. The Victory Motorcycle Division of Polaris Industries Inc. has decided that certain decals on certain of its motorcycles fail to comply with Federal Motor Vehicle Safety Standard No. 120 "Tire Selection and Rims". Specifically, this condition is found in the Vehicle Identification Number decal in some 2006 Victory Vegas Jackpot and 2006 Ness Signature Series Vegas Jackpot motorcycles. Our records indicate that you have purchased an affected vehicle.

The reason for this recall:
On the affected motorcycles, the Vehicle Identification Number (VIN) decal located on the left front down-tube of the motorcycle frame incorrectly lists the GAWR (Gross Axle Weight Rating) for the front axle as 405 pounds. The correct GAWR for the front axle is 390 pounds. Reliance on the incorrect data may lead to overloading of the front tire which could result in a tire blow out causing sudden loss of vehicle control and possibly a crash.

What you should do:
For your convenience, we have provided a corrective decal with this letter that can be applied over the incorrect information on the existing decal. Follow the instructions provided on page 2 to install the decal.

If you have questions or if you need more information:

While your Victory dealer is in the best position to answer your questions, if you have any questions that your dealer cannot address, or if you are having difficulty obtaining the recall repair outlined in this letter, please call our Consumer Service Department at (763) 417-8650.

If you no longer own your motorcycle, please call our Consumer Service Department at (763) 417-8650 or write to the address below with the name and address of the new owner. If you believe that the Victory Motorcycle Division of Polaris Industries Inc. has failed to remedy this defect without charge or is unable to do so within a reasonable time, you may submit a complaint to the Administrator of the National Highway Traffic Safety Administration at 400 Seventh Street S.W., Washington D.C.20590 or call the toll-free safety hotline at 1-888-327-4236 (TTY: 1-800-424-9153).

Please accept our apologies for any inconvenience this may cause you. Your safety and continued satisfaction with your Victory motorcycle is our primary concern. Thank you for your prompt attention to this matter.

Sincerely,

VICTORY MOTORCYCLE DIVISION OF POLARIS INDUSTRIES INC. Christopher Wolf

DECAL INSTALLATION INSTRUCTIONS

1. Clean the decal with warm soapy water to remove all oil, grease or dirt.
2. Rinse with clear water.
3. Dry decal and surrounding area thoroughly.
4. Carefully remove the new GAWR decal at right and apply it over the GAWR area of the decal on the motorcycle as shown. Be sure all previous GAWR information is covered, and press the decal firmly in place.

Apply this decal over the GAWR portion of the VIN decal on the motorcycle.
