## Copy of Letter to Owner Subject: PDM Covers

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. This notice is also sent in accordance with the Canadian Motor Vehicles Safety Act.

Freightliner LLC, on behalf of its Freightliner Trucks Division, has decided that a defect which relates to motor vehicle safety exists on specific Freightliner Columbia, Coronado, and Century Class S/T vehicles manufactured between September 7, 2004, and October 17, 2005.

Certain vehicle cabs may leak causing water to enter the Power Distribution Module (PDM). If water enters the PDM, electrical damage may occur resulting in possible heat damage to the vehicle and fire.

A protective shield will be installed over the PDM. The PDM will be inspected and replaced if water damage is found.
