**SAFETY RECALL NOTIFICATION – C1000720 – ALLISON A/T Selector Lever
NHTSA SAFETY RECALL – 06V-195**

Vehicle Identification Number – JL6DGM1E05.

Dear Mitsubishi Fuso Truck Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Mitsubishi Fuso Truck of America, Inc. has decided that a defect which relates to motor vehicle safety exists in the ALLISON automatic transmission (A/T) selector lever. On affected vehicles, the ALLISON A/T selector lever may have been improperly machined, allowing excessive play in the lever, causing improper engagement of the "P" range (park). In the worst case, the transmission could remain in the "R" range (reverse) after shifting the vehicle into park, allowing the vehicle to roll, causing a crash without warning.

The A/T control lever assembly and A/T shift control cable will be replaced. The procedure will be completed at no cost to you when performed by an Authorized Dealer or Parts and Service Center. The scheduled time for repair is approximately 2.2 hours.

Any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days. If you are the lessor of the above referenced vehicle, please forward this notification immediately.

Note: If you have incurred costs to obtain a remedy for the problem addressed in this recall prior to initial notification, please present the paid invoice to an Authorized Mitsubishi Fuso Dealer or Parts and Service Center. The Dealer/Parts & Service Center will submit a warranty claim to MFTA on your behalf. Reimbursement of these costs should be expected within 30 days of warranty claim submittal.

We at MFTA regret any inconvenience this situation may cause you. However, your safety and continued satisfaction with our product are most important to us.

If your MFTA Dealer is unable to perform this procedure without charge, or within a reasonable amount of time, please contact MFTA Customer Service toll-free at 877-711-0707 for assistance. You may also contact the Administrator, National Highway Traffic Safety Administration, 400 Seventh St. SW, Washington, DC 20590; or call the toll-free Vehicle Safety Hotline at 888-327-4236; (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.
