

November 2006

Dear General Motors Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

General Motors has decided that certain 2006 Cadillac SRX; 2007 Cadillac Escalade EXT; 2006 Chevrolet Silverado 1500 Reg Cab; 2007 Chevrolet Avalanche 1500, Colorado Crew Cab 2WD, Colorado Ext Cab 4WD; 2006 GMC Sierra 1500 Reg Cab; and 2007 GMC Canyon Reg Cab, Canyon Crew Cab, and Canyon Ext Cab 4WD vehicles fail to conform to the Federal Motor Vehicle Safety Standard (FMVSS) 110, and Canada Motor Vehicle Safety Standard (CMVSS) 120 requirement to include the tire rim designation on the certification label. As a result, GM is conducting a safety recall. We apologize for this inconvenience. However, we have taken this action for your safety and continued satisfaction with our products.

I M P O R T A N T

- Your vehicle is involved in recall 06079.
- Install the enclosed label or schedule an appointment and your dealer will install it for you at **no charge**.

Why is your vehicle being recalled?

The tire rim designation on the Certification/Tire Label located on the driver's door edge is missing a letter that represents the wheel's contour. If you replace a wheel and only rely on the rim size designation that is on the label, a wheel that is of a different rim contour may be installed. It may be difficult or impossible to mount the tire on a wheel with the wrong contour. If the tire is mounted on the wheel with the wrong contour, the wheel and tire may not perform as intended.

In addition, the label on your vehicle may also be missing the tire load rating on the label. Although this information is not required by the Standard, if a tire of a lesser load rating than the original tire is installed on the vehicle, the tire may not be able to sustain the loads encountered during use.

What will we do?

A label that will correct the label originally installed on your vehicle is enclosed. To reduce your inconvenience, you can install the label easily by following the enclosed instructions. If you desire, however, you may take the label to your dealer for installation within the next 60 days. This service will be performed for you at **no charge**.

What should you do?

If you would like your dealer to install the label, you should contact your GM dealer to arrange a service appointment as soon as possible. Bring the enclosed customer reply form and the label with you when you visit your dealer. The form identifies the repairs required. If you no longer own this vehicle, please let us know by

completing the form and mailing it back to us.

Do you have questions?

If you have questions or concerns that your dealer is unable to resolve, please contact the appropriate Customer Assistance Center at the number listed below. More information about this recall can be found at the Owner Center at MyGMLink, <http://www.gm.com/recall>

Division	Number	Text Telephones (TTY)
Cadillac	1-866-982-2339	1-800-833-2622
