Address
City, St, Zip
VEHICLE ID #

NHTSA RECALL ID # 06V-337

DATE OF LETTER

This notice is being sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

National RV, Inc. has decided that a defect, which relates to motor vehicle safety, exists in certain 2006 and 2007 Surfside, Sea Breeze, Sea Breeze LX, Dolphin, and Dolphin LX motorhomes.

Reason For Recall

National RV, Inc. determined that certain motorhomes manufactured may not have been equipped with a static electricity grounding strap between the fuel fill neck and the chassis. The motorhomes identified could be susceptible to problems caused by static electricity, including fire, when filling the fuel tank. The installation of the ground strap will significantly decrease the potential for problems associated with inadequate grounding of the fuel fill neck.

Repair

At no charge to you, your dealer will inspect your motorhome for the presence of a fuel fill ground strap, and if necessary, install the appropriate parts to correct the condition.

How Long Will It Take?

The time required to complete this installation is about 10 minutes. However, due to service scheduling requirements, your dealer may need your vehicle for a longer period. Please call your dealer to arrange an appointment for service.

Call Your Dealer

Call your dealer without delay. Ask for a service appointment and also ask whether parts are in stock for Recall **NHTSA RECALL # 06V-337**.

If your dealer does not have the parts in stock, they can be ordered before scheduling your service date. Parts would be expected to arrive within a week.

When you take your motorhome to the dealer, show them this letter.

If you misplace this letter, your dealer will still do the work free of charge, but will need to call us to verify that your motorhome is in fact included in this recall.

Owner Assistance

If you need assistance locating a National RV dealer that can service your motorhome, please call National RV's Owner Service Department toll free at 1-800-999-7260 and follow the automated prompts. If you like, you may use the Internet to locate your nearest National RV Dealer (go to www.nationalrv.com and use the Dealer Locator). National RV representatives are available between the hours of 7:00 a.m. and 4:00 p.m., Pacific Time, Monday through Friday. If you call, please have your Vehicle Identification Number (VIN) available (the VIN is printed near your name at the top of this letter), and inform the representative that you are requesting service under Safety Recall # 06V-337.

Refunds

If you paid to have this service performed before the date of this letter, National RV will reimburse you for the cost of the repair. For reimbursement, please mail the dealer repair order and your original receipt to:

National RV, Inc.
Attn: Recall
100 W Sinclair Street
Perris, Ca 92571

If you no longer own this vehicle, please fill out the enclosed prepaid postcard and mail it to us so we can update our records. The information you provide on the postcard will be used to notify the new owner about this important safety compliance recall.

If a dealer doesn't make the repair promptly and without charge, you may contact the National RV Owner Service Division at 100 W Sinclair Street, Perris, Ca 92571, or call toll free 1-800-999-7260, Ext 4306. You may also send a complaint to the Administrator, National Highway Traffic Safety Administration, 400 Seventh Street, SW., Washington, DC 20590; or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

We regret this inconvenience. However, we have taken this action in the interest of your safety and continued satisfaction with our products.

Sincerely,

Dan Escalera
National Owner Service Manager
National RV, Inc.
