Re: Safety Recall Notice; Investigation No. PE 06-032
LS MotorSports Rubber Fuel Filler Neck Remedy

Dear [Owner]:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

LS MotorSports, LLC (LSM) has determined that a defect related to motor vehicle safety exists in some 2004, 2005 and 2006 DIAMO Velux motorcycles (scooters) imported and distributed by LSM that were built by Zhejiang Lingyun Motorcycle, Co. LTD. The subject scooters have a rubber fuel filler hose that may crack and result in fuel leakage when refueling. If an ignition source is present, fire could occur.

The scooters involved in this campaign were built from June 2004 through August 2006. Motorcycles built after September 1, 2006 was corrected by the manufacturer during production.

According to our records, your scooters, VIN _____, is affected. For this reason we ask that you return your scooter to the dealer that you purchased the scooter from to correct the defect without delay. If your dealer is no longer in business or you have moved and need a new dealer to make the necessary repairs please contact LSM at 281-277-6140 and we will make arrangements for the repairs to be made for you at our expense. If you have received this notice and are not the owner of the referenced motorcycle, please contact LSM at 281-277-6140 immediately.

As the importer and distributor of your scooter, LSM is responsible for conducting this recall. LSM has agreed to perform the recall remedy service. The service labor, required parts and shipping described in this letter will be provided to you free of charge.

WHAT WE WILL DO

Your LS MotorSports Dealer or a repair shop authorized by LS MotorSports will replace the fuel filler hose with new ones. This free service should take less than 1 hour to complete, but your dealer or repair shop may require your scooter for a longer period of time based upon their work schedule.

WHAT YOU SHOULD DO

Immediately upon receiving this notice, please contact your local dealer that you purchased the scooter from or call LSM at 281-277-6140. If you have had the rubber fuel filler neck replaced prior to this notice you still need to have your scooter corrected with the remedy that has been approved by this recall. For more information please contact Jeff Conrad, Safety Recall Coordinator at 281-277-6140.

After calling LSM, if you are not able to have the safety defect corrected without charge or within a reasonable time, you may submit a written complaint to the Administrator, National Highway Traffic Safety Administration, 400 Seventh Street, SW, Washington, DC 20590, or call 188-DASH-2-DOT (1-888-327-4236).

We are sorry to cause this inconvenience; however, we have taken this action in the interest of your safety and continued satisfaction with our products.

Sincerely,

A handwritten signature in black ink, appearing to read 'Mathu Solo'.
