IMPORTANT RECALL INFORMATION #61020

January 2007

Dear Valued Fleetwood Motor Home Customer:

This notice is sent to you in accordance with the requirements of the National Highway Traffic and Motor Vehicle Safety Act.

Fleetwood Enterprises, Inc., on behalf of its subsidiary manufacturing centers located in Riverside, California and Paxinos, Pennsylvania has decided that certain 2007 model year Tioga and Jamboree Class C motor homes fail to comply with the requirements of Part 567, "Certification".

WHAT IS THE PROBLEM?

Fleetwood Enterprises, Inc., has become aware of a rear tire psi rating input error. The Motor Home Manufacturer Federal Certification Tag was printed with an incorrect rear tire value of 60 pounds per square inch air pressure (psi). The correct rear tire pressure value is 80 psi. Please note that all other values are correct.

A misprinted label could lead to improper vehicle loading or tire inflation which could result in tire failure, increasing the risk of a crash.

WHAT SHOULD YOU DO?

Deface the original Motor Home Manufacturer Federal Certification Tag and replace it with the new serial number specific Motor Home Manufacturer Federal Certification Tag that is enclosed with this letter. You can locate the tag on the sidewall near the driver's seat of the motor home. **Note: Please peel the backing before applying over the defaced original Federal Certification Tag.** Check and if necessary, inflate the rear tires to the correct 80 psi.

After you have completed this procedure, please return the enclosed serialized pre-addressed **Vehicle Information Update Card** to Fleetwood.

If you do not feel comfortable installing this tag or checking rear tire pressures, you may take your motor home to any Fleetwood dealer and they will perform this service at no charge to you.

When you deliver your motor home for repairs, your dealer will complete a **Fleetwood Repair Order**. Upon completion of the repair, please sign the **Fleetwood Repair Order** and fill out the enclosed, self-addressed **Vehicle Information Update Card**, and return it to Fleetwood.

If you have changed your address or sold the motor home, please take a moment to provide the name and address of the person or dealership you sold it to on the enclosed **Vehicle Information Update Card**, and return it to Fleetwood. This will enable us to update our records, and if necessary, notify the new owner using the information you provide.

If you have had this concern corrected previously, you may be eligible for reimbursement of your cost for that repair. For more information regarding this recall #61020, contact Fleetwood Owner Relations at 800-505-3418.

For leased vehicles: Federal regulation requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

If you are unable to obtain the specified repair promptly and without charge, please contact:
