E Speed Racing

Dear Mr. Campbell:

I am writing this letter to inform you that I have sent a recall list to all of my previous customers whom have ordered after-market performance products from me. I am attaching a copy of all of the certified mail receipts from the post office as a proof that my customers have been sent a letter from me, and a copy of the confirmation from the post office that my customers have received and signed for the letter. I am also attaching a copy of a container list to you. This list indicates all the items that did not meet the Department of Transportation's Safety and Approval list. These items in the container are being sent back to my manufacturer as we speak. A bill of lading is also included in this letter.

I also wanted to take this time to thank you for all your help and guidance through this process. I am very grateful that you have informed me of the proper safety of performance lights. Because of this experience, I am more well-informed about the Department of Transportation's Safety and Approval List.

Sincerely,

Stewart Lee
