Dear Ms. Schuler:

Pursuant to NHTSA's request, enclosed please find a list of brand names and part numbers utilized by TI Automotive's customers in regard to the above-referenced fuel pump modules, matched to TI part numbers. TI Automotive estimates that these brands and part numbers cover approximately 90% of the parts which are subject to the above-referenced recall. We are continuing our investigation to determine what other brands and part numbers representing the subject parts, if any, may be found in the marketplace. We will advise you of the results of that continuing investigation as information becomes known.
