Re: 06V-244 and 06V-328

Nissan is now able to provide the plan for notification of dealers and owners for the subject campaigns. These campaigns will be conducted simultaneously as they involve the same vehicles. Nissan plans to notify dealers on October 16, 2006. Owner notification is scheduled to begin on December 18, 2006 and will be completed in approximately six months.

Very truly,

Frank D. Slaveter
