Dear Ms. Schuler:

Enclosed please find copies of the third quarterly report that was sent to you on October 1, 2007. See copy of UPS shipping document attached. This is being sent in response to your letter dated October 16, 2007.

We are under the impression that we have 30 days after the report is due to send in the Vehicle Safety Recall Quarterly Report Information which would have made the third report due on or before August 31, 2007. We are sorry that we are passed due sending the report. Are we to adjust our report period to the calendar quarters rather than when the initial recall was issued?

If you have any questions regarding this, please contact us.

Sincerely,
