Report Author: Kimberly Foster

Phone: (425) 468-7387

Recall Subject: TRW Telescoping Steering Column

- |    |                                                                                                                                                                                                                                                                                      |                                 |
|----|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------|
| 1. | NHTSA Safety Recall Campaign No.                                                                                                                                                                                                                                                     | <u>06V-447</u>                  |
|    | Also, for completeness, if your company has assigned a code number to this campaign, please provide your code:                                                                                                                                                                       | <u>Kenworth</u><br><u>06KW2</u> |
| 2. | (a) The date notification to purchasers began:                                                                                                                                                                                                                                       | <u>12/22/06</u>                 |
|    | (b) The date notification to purchasers was completed:                                                                                                                                                                                                                               | <u>12/22/06</u>                 |
| 3. | The total number of items <sup>1</sup> involved:<br>The total number of items involved in the subject campaign (including all items sold or distributed to purchasers, dealers, distributors, and similar entities beyond the immediate control of the manufacturer/importer).       | <u>322</u>                      |
|    | Number of Items Returned from Inventory or Remedied Prior to Sale: Includes (a) the total number of items returned from manufacturer, distributor, dealer or retailer inventory or (b) otherwise remedied prior to sale to consumers.<br>Do not include this number in 4(a) or 4(b). | <u>67</u>                       |
| 4. | (a) Total number inspected & remedied:<br>Total number of items which were inspected and/or otherwise repaired or remedied (cumulative).                                                                                                                                             | <u>186</u>                      |
|    | (b) Total number inspected & NOT REQUIRING REMEDY: Total number of items involved in the recall and inspected, but determined to NOT REQUIRE REMEDIAL or recall repair work.                                                                                                         | <u>1</u>                        |
| 5. | Items Determined to be unreachable                                                                                                                                                                                                                                                   |                                 |
|    | Total number exported:                                                                                                                                                                                                                                                               | <u>0</u>                        |
|    | Total number stolen:                                                                                                                                                                                                                                                                 | <u>0</u>                        |
|    | Total number scrapped:                                                                                                                                                                                                                                                               | <u>0</u>                        |
|    | Total number unable to notify:                                                                                                                                                                                                                                                       | <u>0</u>                        |
|    | Total number otherwise unreachable:                                                                                                                                                                                                                                                  | <u>0</u>                        |

Describe Other: \_\_\_\_\_

<sup>1</sup> Items shall refer to the vehicles, items or equipment or tires involved in the safety recall on which you are reporting
