

**PRODUCT SAFETY BULLETIN FP012506**

February 24, 2006

To: Technician/Installer

**Subject: FUEL PUMP SAFETY RECALL FP012506**

**Part Numbers: E7103M, E7115M, E7121M, E7122M, E7127M, E7128M, E7156M**

**Vehicle Applications:**  
1997-2001 Jeep Cherokee  
1997-2004 Jeep Grand Cherokee  
1997-2004 Jeep Wrangler  
2000-2003 Dodge Dakota Pickup

We have determined that there is a potential product safety related issue involving the above fuel pump modules. The plastic electrical grommet connectors at the top of the fuel pump module may degrade causing a potential leak path for fuel.

No occurrences have been reported in the field. To avoid any potential issues it is necessary that you and your customers return all of the above part numbers with top **flange stamping numbers EP98-48, EP98-49 and EP98-50**.

**AFFECTED FLANGE STAMPING NUMBERS**

Modules installed during the following dates are affected and must be returned.

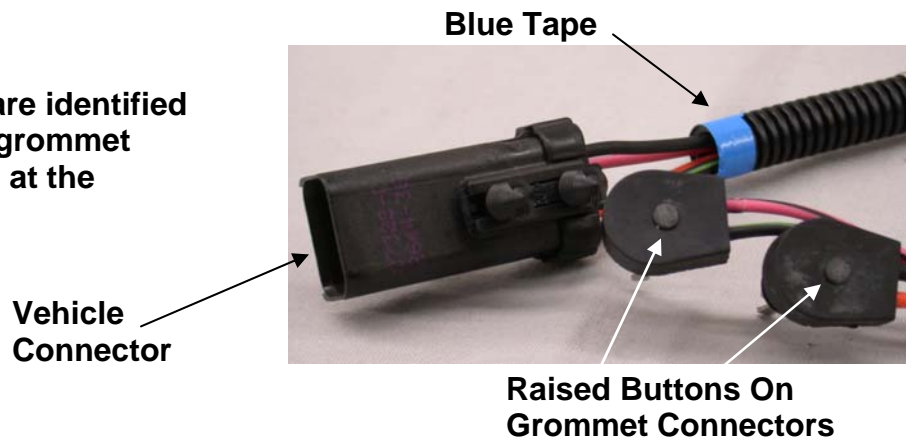

February 4, 2005 through January 16, 2006

If you have purchased and installed any of these modules during the dates listed, please provide us with the contact information of the persons on whose vehicles the modules were installed. Please use the enclosed form. Complete one form per installed module. Return the completed form to us via mail, fax or email. We will contact the Vehicle Owner and provide them with information on how to obtain no-charge fuel pump replacement.

Airtex Automotive Division  
407 West Main Street  
Fairfield, IL 62837  
Fax: 1-618-842-4069  
customerservice@airtexproducts.com

Make reference to **FUEL PUMP SAFETY RECALL FP012506** in all your correspondence, packing and shipping documents.

**Good replacement units are identified by raised buttons on the grommet connectors and blue tape at the vehicle connector end.**

To offset the cost of replacement, Airtex will make reimbursement per the enclosed Flat Rate Schedule at \$40.00 per hour.

Reimbursement will be made directly to the Vehicle Owner upon our receipt of the recalled module and invoice documenting the replacement.

If you have purchased and not yet installed any of the affected fuel pump modules please return them to your supplier for credit or exchange.

Please contact us at 1-800-880-3056 if you have any questions concerning this recall.

Thank you in advance for your assistance and cooperation in assuring that the affected modules are returned to us.

Very truly yours,

Pam Schell  
Customer Service Manager
