Subject: WHEELCHAIR LIFTS/RICON/FMVSS 403

Dear MR. MIHALICK:

This letter is to acknowledge your recent defect information report. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:
ENC/MSTII/2006

NHTSA Campaign Number: 07V-045

Mfg's Report Date: February 6, 2007

Components: EQUIPMENT ADAPTIVE

Potential Number of Units Affected: 2

Summary:

CERTAIN BUSES EQUIPPED WITH RICON PLATFORM STYLE WHEELCHAIR LIFTS FAIL TO COMPLY WITH THE REQUIREMENTS OF FEDERAL MOTOR VEHICLE SAFETY STANDARD NO. 403, 'PLATFORM LIFT SYSTEMS FOR MOTOR VEHICLES.' THE INNER BARRIER INTERLOCK SWITCH SYSTEM IN THE LIFT BASEPLATE MAY NOT DETECT THE PRESENCE OF A PASSENGER (EITHER WHEELCHAIR OR STANDEE) ON THE BARRIER AND CAN ALLOW THE PLATFORM TO MOVE DOWN MORE THAN ONE INCH BELOW FLOOR LEVEL WHEN OCCUPIED.

Consequence:

IN THE EVENT THIS CONDITION OCCURS DURING PASSENGER OPERATIONS, IT MAY BE POSSIBLE FOR THE WHEELCHAIR TO TIP BACKWARDS ONTO THE PLATFORM IF THE USER IS BACKING ONTO THE LIFT FROM INSIDE THE VEHICLE AND HAS THE SMALL FRONT WHEELS FULLY OR PARTIALLY ON THE INNER BARRIER WHEN THE PLATFORM WAS LOWERED. A STANDEE COULD LOSE HIS OR HER BALANCE IF THEY WERE POSITIONED FULLY OR PARTLY ON THE INNER BARRIER WHEN THE PLATFORM WAS LOWERED. EITHER CONDITION COULD CAUSE PERSONAL INJURY.

Remedy:

ELDORADO NATIONAL - CALIFORNIA IS WORKING WITH RICON TO REPAIR THESE WHEELCHAIR LIFTS (PLEASE SEE 06E101). OWNERS CAN CONTACT RICON AT 1-800-322-2884 OR ENC AT 1-909-591-9557.

Notes:

CUSTOMERS MAY CONTACT THE NATIONAL HIGHWAY TRAFFIC SAFETY ADMINISTRATION'S VEHICLE SAFETY HOTLINE AT 1-888-327-4236 (TTY: 1-800-424-9153); OR GO TO [HTTP://WWW.SAFERCAR.GOV](http://www.safercar.gov).

Please provide the following additional information and be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in your report, Ricon will be handling the remedy and quarterly reporting for this campaign. However, please be advised that 49 CFR 573.6 provides that the vehicle manufacturer is responsible for any safety related defect or any noncompliance in the vehicle or any item of original equipment. If Ricon's campaign is not satisfactory, you may be required to conduct a follow-up notification.

Your contacts for this recall will be Pat Wallace or Delia Lopez, who may be reached by phone at 202-366-5232 or 202-366-9525 or by email at patricia.wallace@dot.gov or delia.lopez@dot.gov. We look forward to working with you for successful completion of this recall campaign.

Sincerely,

A handwritten signature in black ink, appearing to read 'G. Person', with a stylized flourish extending to the right.
