RE: VEHICLE SAFETY DEFECT OWNER NOTIFICATION, 07V-448

Dear Country Coach Service Provider:

This bulletin is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

DESCRIPTION OF SAFETY DEFECT:

Country Coach LLC has decided that a defect which relates to motor vehicle safety exists in certain bus shells converted to motor homes. These bus shells may have a safety defect in the internal rubber check valves inside the SR-7 spring brake modulating valves manufactured between November 4, 2005 and April 17, 2007. The component supplier of the internal check valve made unauthorized changes to its manufacturing process leading to the internal check valve rubber becoming deformed over time and potentially resulting in the check valve not properly seating. This condition can occur intermittently. The resulting leakage can cause a delay in the application of the spring brakes to park the vehicle after the operator pulls the parking brake control valve. The delayed parking brake application can occur without warning, leading to unintended vehicle rollaway. Normal service braking isn't affected by this condition.

MODELS AFFECTED:

Model Years: 2007 - 2008

VIN Range: 2PCW334996102887 – 2PCW334967C729246

Not all units within this VIN range are affected. Please refer to the attached Listing for specific units.

Prevost Car Inc. will provide to all Country Coach owners, dealerships and authorized repair centers the necessary materials to remedy this defect. It is estimated that the repair will take 1.0 hour. Prevost Car Inc. will make all reimbursements for labor and parts through their A.F.A. process. This work will be performed free of charge.

The National Traffic and Motor Vehicle Safety Act, as amended, provides that each vehicle which is subject to a recall of this type must be adequately repaired at no cost to the owner within a reasonable time after the owner has tendered it for repair. Failure to repair within sixty (60) days after tender of a vehicle is prima facie evidence of failure to repair within a reasonable time.

VEHICLE SAFETY
DEFECT SERVICE BULLETIN

If the condition is not adequately repaired within a reasonable time, the owner may be entitled to an identical or reasonably equivalent motor home at no charge or to a refund of the purchase price less a reasonable allowance for depreciation.

To avoid having to provide these burdensome solutions, every effort must be made to promptly schedule an appointment with owners and to repair their motor homes as soon as possible. You should be aware that owners are instructed to contact the customer service department if their dealer does not remedy the condition within three (3) days of the mutually agreed upon service date. (Please see the enclosed Letter to Country Coach Owners) Owners are also advised to contact the National Highway Traffic Safety Administration if the condition is not remedied without charge and within a reasonable time.

Your assistance with this important matter is greatly appreciated. We apologize for any inconvenience this may cause you.

Sincerely,

A handwritten signature in cursive script, appearing to read "Dick Sabath".

Dick Sabath

RE: VEHICLE SAFETY DEFECT OWNER NOTIFICATION, 07V-448

Dear Country Coach Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

DESCRIPTION OF SAFETY DEFECT:

Country Coach LLC has decided that a defect which relates to motor vehicle safety exists in certain bus shells converted to motor homes. These bus shells may have a safety defect in the internal rubber check valves inside the SR-7 spring brake modulating valves manufactured between November 4, 2005 and April 17, 2007. The component supplier of the internal check valve made unauthorized changes to its manufacturing process leading to the internal check valve rubber becoming deformed over time and potentially resulting in the check valve not properly seating. This condition can occur intermittently. The resulting leakage can cause a delay in the application of the spring brakes to park the vehicle after the operator pulls the parking brake control valve. The delayed parking brake application can occur without warning, leading to unintended vehicle rollaway. Normal service braking isn't affected by this condition.

MODELS AFFECTED:

Model Years: 2007 - 2008

VIN Range: 2PCW334996102887 – 2PCW334967C729246

Not all units within this VIN range are affected. Please refer to the attached Listing for specific units.

Prevost Car Inc. will provide to all Country Coach owners, dealerships and authorized repair centers the necessary materials to remedy this defect. It is estimated that the repair will take 1.0 hour. Prevost Car Inc. will make all reimbursements for labor and parts through their A.F.A. process. Included with this notification is the Safety Recall Certification Sheet which must be completed and returned to Prevost Car Inc. by the service provider performing this recall. This work will be performed free of charge. If you need assistance in locating the nearest Prevost service facility, please contact Country Coach's customer service department at 1-800-452-8015.

You may be eligible to receive reimbursement for the cost of obtaining a pre-notification remedy of a problem associated with this recall. For more information regarding this contact Prevost Car Inc. at 418-831-5432.

THE WORLD'S FINEST MOTORCOACHES

135 East First Avenue | PO Box 400 | Junction City, OR 97448

Country Coach bus conversion dealers have been notified of this recall. If your dealer or the service facility fails to remedy the noncompliance on the agreed upon service date or within three (3) days of the scheduled service date, please contact Prevost Car Inc. at 418-831-5432 for further assistance.

If after contacting both the dealer/service facility and Prevost Car Inc. you are not satisfied that the noncompliance has been remedied within a reasonable time or at no cost to you, you may wish to contact the National Highway Traffic Safety Administration at the following address:

Administrator
National Highway Traffic Safety Administration
1200 New Jersey Ave. SE
Washington D.C. 20590

Or call the Vehicle Safety Hotline's toll free number at: 1-888-327-4236 (TTY: 1-800-424-9153)

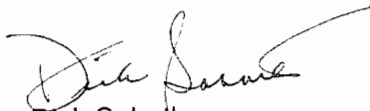

Or go to <http://www.safercar.gov>

Federal regulations requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days after receipt of the original notification.

If you no longer own this motor home, please complete and return the Vehicle Owner Reply Card in the self-addressed postage paid envelope included in this package.

We are sorry to cause you this inconvenience; however, we have taken this action in the interest of your safety and continued satisfaction with our products.

Sincerely,

Dick Sabath
Senior Manager, Compliance Administration
