JS3T\_94\_\_74200001 ~ JS3T\_94\_\_74201871**

Suzuki announced this voluntary safety recall to you on December 5, 2007. In affected vehicles, the automatic transmission selector lever parking lock function may be inoperative due to a sticking shift lock solenoid plunger.

American Suzuki Motor Corporation will "force feed" ship beginning Monday, December 17, 2007, sufficient repair parts to service approximately 25% of your customer vehicle universe<sup>1</sup>. The part number is 28610-64J10, *Unit Assy., Shift Lock*. Where dealership parts orders have already been submitted, we will ship against orders, but deduct them from the "force feed" quantities. Thereafter, you may order parts (unrestricted) based on your assigned vehicle universe set and demand history.

Customers will be notified of this campaign after the holidays, beginning around January 7, 2008. Attached is a count of your affected vehicles.

Sincerely,  
AMERICAN SUZUKI MOTOR CORP.
