- b) The approximate date on which the revised owner list will be available to initiate owner renotification:

The revised owner list was available November 3, 2008.

- c) The approximate date on which the owner renotification will begin:

Owner renotification began November 18, 2008.

- d) The approximate date on which the owner renotification will be completed:

In future communications renotification letters will be identified as a "follow-up to an earlier communication. DTNA respectfully requests the renotification requirement be considered complete based on this information.
