Dear Mr. Person,

In accordance with the renotification request received in our office on March 17, 2009, we are transmitting the enclosed letters for the 1997-2001 Nissan Pathfinder/Infiniti QX4 Fuel Filler Tube (07V-435) and 2004 Nissan Titan Crew Cab Rear Center Belt (07V-150) safety recall campaigns. Per our previous discussion on March 19, 2009, we will perform a second mailing to those owners in salt states only for the 07V-435 campaign.

Nissan will conduct the owner renotification in accordance with the guidelines listed in the letter. The letters contain the statement "Follow-up Notification" as well as a "Johnson Box" highlighting the pertinent information for owners. Nissan searched current state motor vehicle registration records on March 19, 2009 order to update the original owner list for the aforementioned recall campaigns. Owner renotification is scheduled to begin April 27, 2009.

In addition, safety recalls 07V-435 and 07V-150 will be reported for the next three quarters as required by the renotification request.

Should you have any questions, please contact Will Swindell at 615-725-5527.

Regards,

John Gibbons  
Senior Manager, Technical Compliance
