

Performance Depot
732 NW 6th Avenue
Ft. Lauderdale, FL 33311

Dear Performance Depot HID Conversion Kit Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Performance Depot has decided that HID Conversion Kits which it imported into the United States fail to comply with Federal Motor Vehicle Safety Standard (FMVSS) No. 108, "Lamps, Reflective Devices, and Associated Equipment." Oncoming traffic may experience a higher than normal amount of glare which could affect the driver's vision, possibly resulting in a vehicle crash without warning.

This notice pertains only to HID Kits sold for resale or use in the United States. HID conversion kits sold for export out of the United States are not subject to this recall.

The parts, identified on the enclosed form, are affected. For this reason we ask that you arrange for our RMA department to resolve this issue without delay.

Performance Depot will honor all returns of the HID Conversion Kits identified on the enclosed list and will refund the full credit to your account.

If you have any problem returning parts and obtaining the applicable credit, please contact your Performance Depot Account Executive at 1-954-467-1227. An Account Executive will arrange for prompt attention to your return authorization.

If you believe Performance Depot Inc. has failed or is unable to remedy the noncompliance without charge in a reasonable amount of time, you can submit a complaint to the National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE., Washington D.C. 20590 or call the toll free Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153); or go to <http://www.safercar.gov>

Thank you for your attention to this matter.

Performance Depot
