SAFETY RECALL-HEAD LAMP OF FORD F150

Dear SONAR AUTO PARTS FORD F150 HEAD LAMP OWNER:

This notice is sent to you in accordance with the requirements of the National Highway Traffic and Motor Vehicle Safety Act.

SONAR AUTO PARTS CO. LTD., (SONAR) has decided that certain head lamps sold for aftermarket installation on certain 2004-2007 FORD F150 Pickup Trucks fail to conform to Federal Motor Vehicle Safety Standard No. 108, "Lamps, Reflective Devices, and Associate Equipment." Sonar is conducting a recall program to replace the lamps.

ITEM COVERED BY THIS RECALL

The head lamp covered by this recall has the following number: SK3300-61504

WHY ARE WE TAKING THIS ACTION

SONAR discovered that the photometry failure might make our headlamps slightly off the angle and that is a failure to conform to Federal Motor Vehicle Safety Standard No. 108.

For this reason SONAR asks that you arrange for repurchase to correct the condition without delay. The service and required parts as described in this letter will be provided free of charge.

WHAT YOU SHOULD DO

If you have the head lamp listed above, please contact the SONAR recall direct line at 1-866-558-4264 (Danny Cheung) or our dealers listed below as soon as possible to schedule the repurchase.

Please take this Notification and bring in the purchase receipt with you at the time of your appointment and give it to your dealer.

If you have any problem obtaining the needed repurchase, please contact the SONAR recall direct line at 1-866-558-4264 (Danny Cheung) or contact our dealer that listed below in your convenience.
