This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Ford Motor Company has decided that a defect which relates to motor vehicle safety exists in certain 1992-2004 vehicles equipped with speed control. We apologize for this situation and want to assure you that, with your assistance, we will correct this condition. Our commitment, together with Ford and Lincoln Mercury dealers, is to provide you with the highest level of service and support.

**What is the issue?**

Ford cannot be confident that over many years in service, the type of Speed Control Deactivation Switch (SCDS) equipped on your vehicle will not leak, posing the risk of an underhood fire. This condition may occur either when the vehicle is parked or when it is being operated, even if the speed control is not in use.

**What will Ford and your dealer do?**

Ford Motor Company has authorized your dealer to install a fused wiring harness into the speed control system of your vehicle free of charge (parts and labor).

**How long will it take?**

Your dealer may be able to perform this repair while you wait; however, due to scheduling requirements, your dealer may need your vehicle for a longer period of time.

**What are we asking you to do?**

Please call your dealer without delay and request a service date to have the fused wiring harness installed (Recall 05S28). Provide the dealer with the Vehicle Identification Number (VIN) of your vehicle. The VIN is printed near your name at the beginning of this letter.

Until you have the recall service performed, park your vehicle away from structures to prevent a potential underhood fire from spreading.

The vehicle owner is responsible for having this service action performed. Ford Motor Company reserves the right to deny coverage for any vehicle damage that may result from failure to have this recall performed on a timely basis. Therefore, please have this recall performed as soon as possible.

**RETAIL OWNERS:** If you do not already have a servicing dealer, you can access <http://www.genuineservice.com> for dealer addresses, maps, and driving instructions.

**FLEET OWNERS:** If you do not already have a servicing dealer, you may access our Dealer Locator on <https://www.fleet.ford.com> for dealer addresses, maps, and driving instructions.

**MOTORHOME OWNERS:** To locate a dealer that services Motorhomes, call the Motorhome Customer Assistance Center toll free at 1-800-444-3311. Ford representatives are available 24 hours a day.

**Please note: Federal law requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.**

**Have you previously paid for this repair?**

If you paid to remedy the issue addressed in this notice, you may be eligible for a refund.

To verify eligibility and expedite reimbursement, give your paid original receipt to your dealer.

Refund requests may be sent directly to Ford Motor Company. To request your refund from Ford, send the refund request with all required documentation, including your original repair receipt (no photocopies), to Ford Motor Company at P.O. Box 6251, Dearborn, Michigan 48121-6251. Refund requests mailed to this address may take up to 60 days to process. Your original receipt will be returned to you.

Detailed information regarding eligibility for Ford's reimbursement program and documentation requirements may be obtained by contacting the Ford Customer Relationship Center at 1-888-222-2751.

Owners who have previously paid for this repair still need to have the recall described in this letter performed.

**What if you no longer own this vehicle?**

If you no longer own this vehicle, and have an address for the current owner, please forward this letter to the new owner.

You received this notice because government regulations require that notification be sent to the last known owner of record. Our records are based primarily on state registration and title data, which indicate that you are the current owner.

**Can we assist you further?**

If you have difficulties getting your vehicle repaired promptly and without charge, please contact your dealership's Service Manager for assistance.

**RETAIL OWNERS:** If you still have concerns, please contact the Ford Motor Company Customer Relationship Center at 1-888-222-2751 and one of our representatives will be happy to assist you. For the hearing impaired call 1-800-232-5952 (TDD). Office Hours are Monday through Friday: 8AM – 5PM (Your Local Time).

If you wish to contact us through the Internet, our address is:  
**[www.ownerconnection.com](http://www.ownerconnection.com)**

**FLEET OWNERS:** If you still have concerns, please contact the Fleet Customer Information Center at 1-800-34-FLEET, Option #3 and one of our representatives will be happy to assist you. Representatives are available 8:30AM to 5:00PM Monday through Friday (Eastern Time Zone).

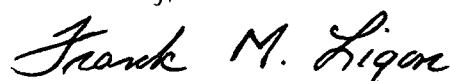

Or you may contact us through the internet at [www.fleet.ford.com](http://www.fleet.ford.com).

**MOTORHOME OWNERS:** If you still have concerns, please contact the Motorhome Customer Assistance Center toll free at 1-800-444-3311. Ford representatives are available 24 hours a day.

If you are still having difficulty getting your vehicle repaired in a reasonable time or without charge, you may write the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE., Washington, D. C. 20590 or call the toll free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153) or go to <http://www.safercar.gov>.

Thank you for your attention to this important matter.

**What will Ford and your dealer do?**

Parts to repair the above concern (fused wiring harness) will not be available until 4<sup>th</sup> quarter of 2007. Until the parts become available, please call your dealer to schedule an appointment to disconnect the SCDS and disable the speed control system. This will eliminate any concerns with the SCDS on your vehicle. Ford Motor Company has authorized your dealer to disable the speed control system of your vehicle free of charge (parts and labor).

Parts will be available in the 4<sup>th</sup> quarter of 2007, at which time Ford will notify you to return to your dealer to have the fused wiring harness installed and the SCDS reconnected on your vehicle.

**How long will it take?**

Your dealer may be able to perform this repair while you wait; however, due to scheduling requirements, your dealer may need your vehicle for a longer period of time.

**What are we asking you to do?**

Please call your dealer without delay and request a service date to have the switch disconnected (Recall 05S28). Provide the dealer with the Vehicle Identification Number (VIN) of your vehicle. The VIN is printed near your name at the beginning of this letter.

## **Important Parts Notification - Safety Recall 05S28**

Customer Name

September, 2007

Ford recently mailed you a letter announcing Safety Recall 05S28 (Speed Control System Modification) requesting you schedule a service appointment to have the recall repair performed. Although Ford is currently experiencing an unforeseen shortage of the service parts required to make the complete repair, your dealer is authorized to perform an interim repair of disconnecting the Speed Control System on your vehicle to eliminate the potential safety risk. We strongly encourage you to contact your dealer to schedule an appointment to have this service performed as soon as possible. When Ford notifies you that service parts are available, you will need to return to the dealer to have the permanent repair performed. Thank you for your attention to this very important matter and we apologize for any inconvenience this may have caused.
