Re: Defect Information Report; Vehicles Equipped with
Certain Refrigerators Manufactured by Dometic Corporation

Dear Valued Customer:

Universal Specialty Vehicles, INC. has been advised by Dometic Corporation that certain Dometic refrigerators installed as original equipment in some of **Universal Specialty, INC.** recreational vehicles may contain a defect that relates to motor vehicle safety because they may experience a leak of pressurized coolant solution which can result in a vehicle fire under certain specific circumstances. On the basis of that Dometic determination, **Universal Specialty Vehicles** has decided that there may be a potential safety defect in its vehicles equipped with the identified refrigerators, and we are therefore submitting the enclosed Defect Information Report pursuant to 49 CFR Part 573.

If you have any questions, please do not hesitate to contact the undersigned at 1-888-446-5157.

Sincerely,

Universal Specialty Vehicles, Inc.

Enclosure
