Safety Recall # xxxxx

June, [DATE], 2007

Dear Setra Owner,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Setra of North America, Inc. ("Setra") has decided that a defect which relates to motor vehicle safety exists in certain model year 2003 - 2007 motor coaches, model S417. Setra has therefore initiated a voluntary recall of these vehicles. Our records indicate that your vehicle is included in this group. **WE SENT YOU THIS NOTICE BECAUSE WE ARE CONCERNED ABOUT YOUR SAFETY.**

Setra has determined, that on vehicles described above the wire routing preparation associated with a non North American roof hatch was carried out improperly.

This wiring may contain open energized wire ends located in the harness. If the open wiring ends come into contact with parts of the frame, it may be possible for a short circuit to occur and then a subsequent fire.

In order to remedy this issue, Setra will, free of charge, send out technicians to disconnect the power to these wires. A Setra Technical Representative will contact you shortly to schedule an appointment for the remedy. The time required is approximately 1/2 hours. We are sorry to inconvenience you, **BUT IT IS IMPORTANT FOR YOUR SAFETY, AND THE SAFETY OF OTHERS, TO HAVE THE WORK PERFORMED PROMPTLY.**

If you are no longer the vehicle owner, or have a change of address, please complete the reverse side of this letter and return it in the enclosed envelope. If this is a leased vehicle and the lessor (registered owner) receives this notice, please forward this information by registered mail to the lessee. If you have paid to have this recall condition corrected prior to this notice you may be eligible to receive reimbursement. Please see the reverse side of this notice for details.

Please contact your authorized Setra dealer should you have any questions or encounter any difficulty regarding this recall. If your dealer is unable to remedy your situation please contact us at 1-(800) 882-8054.

If, after contacting Setra of North America, Inc., at the number listed above, you are still unable to have the safety defect remedied, US residents may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 400 Seventh Street, S.W., Washington, DC 20590. or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>."

Again, we apologize for any inconvenience this situation may cause you.

Sincerely
