SUBJECT: Coupler Recall Follow-Up

COMMENTS: Moe/ Rose , I had mailed a letter to you on April 19th regarding a 2 5/16” trailer coupler that is on recall. I need for you to inspect the coupler on your (2) 614SLTD trailer(s) and provide me with the information I requested on the original letter. I need this information ASAP due to potential safety issues if your coupler falls under the recall. If we don’t hear back within 48 hours the coupler manufacturer has requested that you park the trailer until we have written documentation confirming the coupler information. I am providing a picture of the coupler on the recall for you to compare. Please fax this letter back to 803-548-5363. If you have any questions I can be reached at 704-231-6251.

**Thank you,
