SAFETY RECALL NOTICE

June, 13, 2007

Dear Yamaha Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Yamaha Motor Corporation, U.S.A. has decided that a defect which relates to motor vehicle safety exists in all 2005 through 2007 YP400 ("Majesty"), all 2006 and 2007 CP250 ("Morphous"), and all 2007 XF50 ("C³") model scooters. Our records show that you own the affected scooter shown on the label above.

The reason for this recall:

In affected scooters, the fuel pump seal may develop cracks caused by ozone in the atmosphere. If these cracks in the seal become severe, fuel could leak from the fuel tank, increasing the risk of a fire or explosion. This could cause injury or death.

What Yamaha and your dealer will do:

To correct this defect, your authorized Yamaha dealer will replace the fuel pump seal with one that will not develop cracks due to ozone exposure. There will be no charge to you for this procedure. The amount of time it takes to replace the seal depends upon model, about 15 minutes for a Morphous, 30 minutes for a C3, or about 3 hours and 15 minutes for a Majesty model. Your dealer may need to keep your scooter longer depending upon their schedule.

What you should do now:

Please call your Yamaha dealer to make a service appointment to have this procedure performed. At that same time, you can find out how long they expect to keep your scooter for this service. Remember to take this letter with you when you take in your scooter.

You should not ride your scooter until this modification is performed. In addition, you should not park your scooter near sparks, flames, or other sources of ignition.

If you are unable to return to the Yamaha dealer who sold you the scooter, this service will be performed by any authorized Yamaha Motorcycle or Scooter dealer. For the name of a dealer near you, call 1-800-88-YAMAHA or visit the Yamaha web site at: www.yamaha-motor.com.

Federal regulations require that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within 10 days.
