RE: Owner Notification of Vehicle Safety Defect
Federal Recall Campaign 07V-225

Dear Country Coach Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act, CFR 49, 573.5 and 573.6.

DESCRIPTION OF NONCOMPLIANCE:

Country Coach has decided that certain Allure motor homes manufactured between May 2004 and May 2007 do not meet FMVSS No. 108, lighting requirements. Some of the affect motor homes were equipped with more than three amber identification lamps located at the top front of the vehicle. In addition, the side marker lights in the combination headlight and tail light assemblies do not meet requirements of Federal Motor Vehicle Safety Standard No. 108, "Lamps, Reflective Devices, and Associated Equipment".

The five identification lights could possibly cause confusion to on-coming motorists who are used to observing three identification lights. The inadequacy of the front and rear side marker lights could affect visibility of the motor home during hours of darkness and could potentially result in a motor vehicle crash.
