Dear KTM Customer,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. KTM North America has decided that a defect which relates to motor vehicle safety exists on all 2007 990 Adventure, 990 Adventure S and certain 950 Super Enduro models.

On affected models, during use the chain slider guard mounting bolt may become loose and possibly fall out; this could result in the possibility of the chain slider guard to become detached. Subsequently, the chain slider guard could become caught in the drive chain which may lead to an accident and may cause injury or death to the rider or others. The cause of the defect involves an assembly error at the manufacture with the chain guard slider bolts. The chain slider guard mounting bolts must be inspected and properly secured by an authorized KTM dealer.

It is mandatory that you discontinue riding your motorcycle until the defect has been repaired. Please contact your Authorized KTM North America Dealer (log onto www.ktmusa.com for a complete dealer listing) as soon as possible to arrange an appointment to repair the defect. Instructions for the repair have been sent to every authorized KTM dealer. Please plan on leaving your motorcycle at the dealership for the necessary repairs and allow ample time for scheduling in the service department. There will be no charge for the dealer's services. To ensure the highest level of safety, performance, and reliability, it is necessary to have your motorcycle repaired immediately.

If you experience difficulties in scheduling or servicing the required repair from an authorized KTM Dealership please contact KTM North America Customer Relations at (440)985-3553 for assistance. Furthermore, you may contact the National Highway Traffic Safety Administration's Motorcycle Safety hotline at 1-888-327-4236 (TTY 1-800-424-9153) or go to <http://www.safercar.gov> if you are unable to receive the repair within a reasonable period of time and free of charge.

If you have repaired your chain slider guard mounting bolts prior to receiving this letter you may be eligible to receive reimbursement for the cost. For reimbursement details contact KTM North America Customer Relations at (440)985-3553 for details.

If you have sold, traded or no longer own this motorcycle it is important for the safety of the current owner that you inform KTM of the current ownership or unknown ownership status by returning the second page of this letter in the enclosed self addressed prepaid postage envelope.

We apologize for any inconvenience and want to assure you that our commitment together with KTM North America Dealers is to provide you with the highest level of service, support and customer satisfaction.

Best Regards,
