SUBJECT: NHTSA Recall No. 07V-318

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

REASON FOR THIS RECALL

General Coach has decided that certain General Coach Travel Trailers or Park Trailers fails to conform to the requirements of Part 567, "Certification.". The Gross Axle Weight Rating (GAWR) is incorrect on the certification label. The labels applied to the vehicle show the GAWR as 2,359 kgs. (5,200 lbs.). The ratings should be 2,304 kgs. (5,079 lbs.). A misprinted label could lead to improper vehicle loading increasing the risk of a crash.

WHAT WE WILL DO

General Coach is providing a new certification label with the correct information to the owners of the recalled vehicles.

WHAT YOU SHOULD DO

Please deface and/or remove the old vehicle certification label, located at the front left corner of your trailer or fifth wheel and replace it with the new enclosed label. If you feel uncomfortable in performing this procedure, you may take your travel trailer or fifth wheel to any General Coach Dealer and they will perform this service at no charge to you.

If you are having trouble locating or scheduling an appointment with your local General Coach Service Center, please contact the General Coach Customer Service Department at 1-519-262-2600.
