SUBJECT: SAFETY RECALL # 707-H
MEDIUM DUTY VEHICLE RADIATOR TIE ROD INSTALLATION
EXPIRATION DATE: NONE

Dear Peterbilt Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Peterbilt Motors has determined that a defect which relates to motor vehicle safety exists in some Models 335 and 340 manufactured February 28, 2007 through March 8, 2007. Your vehicle has been identified as having been manufactured with this defect.

The suspect vehicles have insufficient clearance between the positive post on the alternator and the radiator tie rod and tie rod bracket. The close proximity could enable an electrical arc which could ignite a fire in the engine compartment and may result in property damage or personal injury.

<i>The problem is...</i>	Electrical arc between the alternator and frame bracket can cause a fire
<i>What your dealer will do...</i>	Replace the radiator tie rod and tie rod bracket
<i>What you must do ...</i>	Contact your dealer immediately to schedule an appointment to have the defective parts replaced at no cost to you.

Peterbilt Motors Company has initiated a recall to replace the radiator tie rod and tie rod bracket. Please contact your Peterbilt dealer immediately to schedule an appointment. This should take no more than 1 hour and will be performed at no charge to you. If you have already had this repair performed before you received this letter, you may be eligible to receive reimbursement for the cost of obtaining a pre-notification remedy of the problem associated with this recall.

If you require further information or experience any difficulty in making arrangements for the repair, please contact: Peterbilt Motors Company, 1700 Woodbrook Street, Denton, Texas 76205; Customer Service Department, phone 940-591-4196.

If you conclude that Peterbilt Motors Company has not enabled you to remedy this defect within a reasonable time and without charge, you may submit a complaint to: Administration for Safety Assurance, National Highway Traffic Safety Administration, 1200 New Jersey Avenue SE, Washington DC 20590, or call the toll free safety hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

Federal regulation requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

If you no longer own this vehicle, we would appreciate your advising us of the new owner if you know their name. The enclosed card may be used for this purpose.

We regret any inconvenience that this work may cause you and appreciate your cooperation in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Rick Wood". The signature is fluid and cursive, with the first name "Rick" and last name "Wood" clearly distinguishable.
