IMPORTANT RECALL INFORMATION #70802

August, 2007

Dear Valued Fleetwood Motor Home Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Fleetwood Enterprises, Inc., on behalf of its subsidiary manufacturing center located in Decatur, Indiana has decided that a defect which relates to motor vehicle safety exists in certain 2008 model year Discovery, Excursion and Providence 39R model motor homes.

WHAT IS THE PROBLEM?

On certain Discovery, Excursion and Providence 39R model motor homes the propane gas hose, under the galley slide-out room, can flex and make contact with other components during slide-out room operation. This may lead to abrasion or kinking of the propane gas hose which may result in a propane gas leak and the potential for an explosion and/or fire.

WHAT SHOULD YOU DO?

Please make certain your motor home is inspected and repaired by contacting your selling dealer, and making an appointment to have this inspection and repair performed. If they are not available, another Fleetwood motor home dealer may do this work for you.

WHAT WILL FLEETWOOD DO?

With your continued satisfaction in mind, it is our intention to have these repairs made at your convenience with as little disruption as possible. Effective immediately, Fleetwood dealers will be supplied with all the information needed to enable them to inspect and if necessary replace the propane gas hose if it is kinked or damaged. If the propane gas hose is not kinked or damaged, Fleetwood will install insulated loop clamps to secure the propane gas hose away from components. The total length of time your motor home will be out of service will depend on the dealer's work schedule.

If you have had this concern corrected previously, you may be eligible for reimbursement of your cost for that repair. For more information regarding this recall #70802 contact Fleetwood Owner Relations at 800-509-3418.

When you deliver your motor home for repairs, your dealer will complete a Fleetwood Repair Order. Upon completion of the repair, please sign the dealership's Repair Order or Fleetwood's Repair Order and fill out the enclosed, self-addressed **Vehicle Information Update Card** and return it to Fleetwood. This will allow us to update our records and if necessary, notify the new owner using the information you provide.

For leased vehicles: Federal regulation requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

If you are unable to obtain the specified repair promptly and without charge, please contact:
