

# SAFETY RECALL NOTICE

---

Dear Isuzu F-Series / H-Series Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. The manufacturer of your vehicle, General Motors, has decided that a defect that relates to motor vehicle safety exists in certain 2006 and 2007 model year Isuzu F-Series and H-Series straight towing and non-towing vehicles equipped with air brakes.

## WHAT IS THE CONDITION?

The air brake park control valve in your vehicle may develop either an internal air leak or an air restriction. With this condition, the park brake may not release or may release only partially. If the vehicle is on an uneven surface, the park brake may not hold the vehicle and could result in unintended vehicle movement and a vehicle crash. This condition does not affect normal service braking.

## WHAT WE WILL DO

To correct this condition, your Isuzu dealer will inspect and replace the external check valve on the air brake park control valve. If the inspection determines the external check valve is damaged, the air brake park control valve will be replaced. Your vehicle may also require the replacement of an internal check valve in the air brake park control valve. This service will be performed for you at **no charge**.

## WHAT YOU SHOULD DO

To limit any possible inconvenience, we recommend that you contact your Isuzu dealer as soon as possible to schedule an appointment to bring your vehicle in to have this work performed. Present this Owner Notification Letter at the time of your appointment or refer to Campaign Service Bulletin CB07-H-XXX. Isuzu estimates that the repair will take between approximately 30 minutes to 1 hour and 15 minutes to perform, depending on the service required. However, additional time may be necessary depending on how appointments are scheduled and processed at your dealership. To locate the nearest Isuzu dealer you can visit our website at [www.isuzucv.com](http://www.isuzucv.com), click on the dealer locator icon and enter your zip code or state. If you do not have access to a computer terminal, please contact our Customer Relations Department at 1-866-441-9638 for assistance in locating an Isuzu dealer. If you have any problems obtaining the needed repair or believe that this repair has not been or cannot be made within a reasonable time, you may contact:

Isuzu Commercial Truck of America, Inc.  
Customer Relations Department  
46401 Commerce Center Drive  
Plymouth, MI 48170  
1-866-441-9638

If, after contacting your Isuzu dealer or our Customer Relations Department with any problems, you still are not satisfied that we have done our best to remedy this condition without charge and within a reasonable time, you may wish to submit a complaint to the Administrator, National Highway Traffic Safety Administration, 400 Seventh Street S.W., Washington, D.C. 20590 or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

We regret any inconvenience which this action may cause you.

Sincerely,

Isuzu Commercial Truck of America, Inc.

***Important: If you have sold or traded your Isuzu vehicle, please enter the owner's name and address, if known, on the attached "Change of Information" postcard, tear off at both perforations, and drop it in the mail. Postage has already been paid. We will contact the new owner.***

***Federal law requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days. Lessor means a person or entity that is the owner, as reflected on the vehicle title, of any five or more leased vehicles.***
