Re: Safety Recall: 07V-412

Dear Mr.

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

REASON FOR THIS RECALL

Champion has determined that a defect which relates to trailer safety exists in certain Champion Colorado Trailers. The trailer swing arm spindle(s) may fatigue and fail over time.

WHAT WE WILL DO

Champion will replace your entire trailer frame at no cost to you.

WHAT YOU SHOULD DO

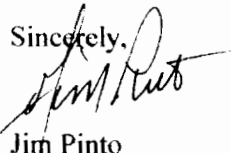

At your earliest convenience, if you are near a Champion Trike or Trailer Dealer, please make an appointment to have your trailer frame replaced, and we will ship a new frame to your installer and will cover up to 3 hours of his/her installation time @ \$65/hour. If you are not near a Champion dealer, or would prefer to make this frame change yourself we can send you the new trailer frame and change out instructions. The frame change out takes 2-3 hours and requires only simple hand tools.

Please return the attached "check-off" form by fax or US Mail.

We sincerely regret any inconvenience this action may cause you. Your safety and the quality of our products are important to us.

Thank you for your time, attention and cooperation in this matter.

Sincerely,

Jim Pinto
VP/General Manager
