SAFETY RECALL G33 – FRONT DOOR LATCH CABLES

Dear: (Name)

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Chrysler LLC has decided that a defect, which relates to motor vehicle safety, exists in some **2007 and 2008 model year Chrysler Sebring Convertibles and Dodge Avenger models.**

NOTE: Some of the above vehicles were involved in a previous recall which did not fully correct the front door latch system.

The problem is... **The front door latch cables on your vehicle (VIN: xxxxxxxxxxxxxxxxx) may become unseated from the interior release handle housing during certain operating conditions. This can cause the door latch to stick in the unlatched position or allow the lock function to become inoperative. Attempting to drive a vehicle with a door in the unlatched position can result in increased risk of injury to an unbelted front seat occupant.**

What your dealer will do... **Chrysler will repair your vehicle free of charge (parts and labor).** To do this, your dealer will install front door latch cable retaining clips. The work will take about ½ hour to complete. However, additional time may be necessary depending on service schedules.

What you must do to ensure your safety... Simply **contact your dealer** right away to schedule a service appointment. Ask the dealer to hold the parts for your vehicle or to order them before your appointment. **Remember to bring this letter with you to your dealer.**

If you need help... If you have questions or concerns which your dealer is unable to resolve, please contact Chrysler at 1-800-853-1403.

Please help us update our records, by filling out the attached prepaid postcard, if any of the conditions listed on the card apply to you or your vehicle.

If you have already experienced this condition and have paid to have it repaired, you may send your original receipts and/or other adequate proof of payment to the following address for reimbursement: Chrysler P.O. Box 4639 Oak Ridge, TN 37831, Attention: Reimbursement.

If your dealer fails or is unable to remedy this defect without charge and within a reasonable time, you may submit a written complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave., S.E., Washington, DC 20590, or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to <http://www.safercar.gov>.

We're sorry for any inconvenience, but we are sincerely concerned about your safety. Thank you for your attention to this important matter.
