2006 Model Year IS 250/350 and GS 300 Fuel Pipe Replacement
Safety Recall Notice

Dear Lexus Customer:

This notice is being sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Lexus has decided that a defect, which relates to motor vehicle safety, exists in certain 2006 model year IS 250/350 and GS 300 vehicles.

What is the condition?

During the manufacturing process of two specific fuel pipes located in the engine compartment, high stress areas may have been created in the pipes. Combined with other factors such as the presence of corrosive agents in fuel, a crack may form over time leading to fuel leakage from the fuel pipe(s).

What will Lexus do?

Any Lexus dealer will replace the two involved fuel pipes with newly designed ones at NO CHARGE to you.

What should you do?

This is an important Safety Recall

Please contact your authorized Lexus dealer to make an appointment to replace the two involved fuel pipes with newly designed ones as soon as possible. The repair will take approximately three hours. However, depending upon the dealer's work schedule, it may be necessary to make your vehicle available for a longer period of time.

We request that you present this notice to the dealer at the time of your service appointment.

If you no longer own the vehicle, please indicate so on the enclosed postage-paid form, providing us with the name and address of the new owner.

What if you have other questions?

Your local Lexus dealer will be more than happy to answer any of your questions and set up an appointment to perform the repair. If you require further assistance, you may contact the Lexus Customer Assistance Center at 1-800-255-3987 Monday through Friday, 5:00 am to 6:00 pm, Saturday 7:00 am through 4:00 pm Pacific Standard Time.

If you believe that the dealer or Lexus has failed or is unable to remedy the defect within a reasonable time, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue S.E., Washington, D.C. 20590, or call the toll free Vehicle Safety Hot Line at 1-888-327-4236 (TTY: 1-800-424-9153), or go to <http://www.safercar.gov>.
