

## IMPORTANT SAFETY RECALL NOTIFICATION

Dear Suzuki Owner:

This notice is being sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Suzuki Motor Corporation has decided that 2006 and certain 2007 Suzuki Grand Vitara vehicles equipped with an automatic transmission fail to conform to Federal Motor Vehicle Standard No. 114, Theft Protection. According to our records, you own one of the vehicles affected by this recall.

On affected vehicles, the automatic transmission selector lever "Park" lock function may be inoperative due to a sticking shift lock arm. As a result, the shift lever may be able to be shifted out of "Park" with the key removed and without depressing the brake pedal. This can give rise to increased incidents of crashes resulting from the rollaway of parked vehicles as a result of inadvertently moving the shift lever from the "Park" position when the parking brake is not fully engaged.

To correct this condition, your Suzuki dealer will replace the shift lock module on your vehicle at no cost to you for parts and labor.

Please contact your Suzuki dealer to schedule an appointment for this Important Safety Recall. To locate your nearest Suzuki dealer, please see below or call toll free (877) 697-8985 or visit our website at <http://www.suzukiauto.com>. The online dealer locator includes driving instructions and maps. Recall instructions and parts have already been sent to your dealer and the recall can be completed in less than one hour if you have an appointment. If your dealer has a number of vehicles awaiting service, there may be additional time required. If you no longer own this vehicle, please complete the enclosed postage paid reply card and return it to us.

If your dealer does not make the correction without charge and within a reasonable period of time, we recommend that you contact the American Suzuki Customer Relations Department at (800) 934-0934. If after contacting our Customer Relations Department, you are still not satisfied we have done our best to remedy this condition without charge and within a reasonable time, you may wish to write the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave, SE., Washington, DC 20590 or call toll-free Auto Safety Hotline at (888) 327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

Federal regulation requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within 10 days.

If your vehicle is included in the recall and you have paid for repairs caused by a malfunctioning shift lock mechanism, you may be eligible for a full or partial reimbursement. Please note the following qualifiers:
