SPRINT ST 1050, SPRINT ST 1050 ABS, TIGER 1050 & TIGER 1050 ABS

This notice is being sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Triumph Motorcycles has identified a defect which relates to motor vehicle safety which may exist on the above models fitted with a **Triumph Genuine Accessory** rear rack system. There is a possibility that the sliding carriage (part of the rear rack assembly) may not offer the required amount of lateral movement, resulting in reduced stability under certain conditions.

Our records indicate you are the owner of one of the above motorcycles - **VIN SMT600PK87**

This machine is included in the above Safety Recall and we therefore urge you to contact your local Triumph dealer immediately to arrange for the rack system to be rectified. This action is not likely to take more than 20 minutes and will be free of charge.

If your motorcycle is not fitted with the optional Triumph rack system, please indicate such on the enclosed customer return information card so we may remove your bike from this action.

If you had this repair performed before you received this letter, you may be eligible to receive reimbursement for the cost of obtaining a pre-notification remedy of the problem associated with this Recall. Please provide the paid invoice to an authorized Triumph dealer, or directly to; Triumph Customer Service, 385 Walt Sanders Memorial Drive, Suite 100, Newnan, GA 30265,

Failure to have this rectification work carried out may cause a loss of stability if the motorcycle is ridden with the accessory fitted, with the maximum permitted weight exceeded and at speeds far in excess of the 80 mph/130 kph limit warning (as outlined in your owners handbook & within all Triumph Genuine Accessory fitting instructions) and may result in a loss of control of the motorcycle

Federal regulations requires that any vehicle lessor receiving the Recall Notice must forward a copy of the notice to the lessee within 10 (ten) days of receipt.

Should you need to discuss any aspect of this Recall, in the first instance please contact your dealer, who has been advised of this action and who will be able to answer your concerns. If necessary, you can of course contact our Customer Service Department at 678-854-2010.

May we take this opportunity to apologize for any inconvenience this may cause, but we are confident you can appreciate the importance of having a safe and reliable motorcycle.
