Re: Defect Information Report: KZRV, LP – Recall # 07V – 145

Dear: Ms. Wallace

In response to Mr. Zook's letter of March 19, 2007 regarding an update of information concerning recall # 07V-145 on steps manufactured by Hickory Springs.

In early April personnel from Hickory Springs were at KZRV in Shipshewana, Ind. They checked, inspected and repaired 278 vehicles before they were shipped to dealers.

A total of 119 coaches were already shipped to our dealer's lots. On April 23<sup>rd</sup> & 24<sup>th</sup>, 119 kits with instruction sheets, provided by Hickory Spring of Arkansas, were sent to dealers known to possess these coaches.

As of June 12, 2007, 4 coaches are known to have this procedure completed for customers.

I will be out of my office from June 15<sup>th</sup> to July 3<sup>rd</sup>.
