Kelly,

Attached is Volvo's Recall Report for 1Q08. <<1q08 NHTSA Recall Quarterly Report Information.pdf>>

Please note NHTSA Campaign **07V226000 (Recall 181) 2003 and 2004 S60 and V70 Fuel Pressure Sensor Replacement**. The number of vehicles inspected and remedied has declined since our previous report for this campaign. We are reviewing our numbers for the population of vehicles involved and remedied. As soon as we resolve this discrepancy we will submit to NHTSA the amended information.

Please contact me if you have any questions or need clarification regarding this report.
